Dear Dave, 3/6/98

Thanks for th inking ofsending the extea copy of the Fourth Decade.

First week of April looks fine!

We look forward to it.

I have not kept up with the added activity at the Civil War museum but I do know that Jerry McKnight's wife is putting in some time working there. She has too much to do to waste any time so she must believe it is worthwgile.

Thanks and best,

Harold
